1.A document that assures the seller that payment will be made by the bank issuing the letter of credit upon fulfillment of the terms is called a?

- A. Letter of credit document for assurance.
- B. Financial instrument document for assurance.
- C. Bank draw document for assurance.
- D. Cashiers check document for assurance.

Answer: A

Explanation:

A document that assures the seller that payment will be made by the bank issuing the letter of credit upon fulfillment of the terms is called a letter of credit payment mechanism. The remaining choices are incorrect: Financial instrument is a tradable asset of any kind; either cash, evidence of an ownership interest in an entity, or a contractual right to receive or deliver cash. Cashiers check is written by a financial institution on its own funds. Bank draw is the same as withdraw.

2.The measure of inbound revenues and outbound expenses in a time period is called?

- A. Cash flow financial measure
- B. Revenue transfer financial measure
- C. Cost flow financial measure
- D. Revenue flow financial measure

Answer: A

Explanation:

The measure of inbound revenues and outbound expenses in a time period is called cash flow. The remaining terms are incorrect fabrications: Cost flow, Revenue flow, and Revenue transfer.
